

Musical Theatre Classes

Theatre classes help children of all ages focus and concentrate their energies while improving their writing and communication skills; tools useful in every aspect of life. While studying in our Theatre Department, children from all walks of life will learn to express themselves freely and in an unbiased manner.

Activities:

<i>Create characters</i>	<i>Dancing</i>
<i>Creative drama</i>	<i>Staging</i>
<i>Monologues</i>	<i>Vocalization</i>
<i>Scenes</i>	<i>Improvisation</i>
<i>Plays</i>	<i>Theatre in the round</i>
<i>Singing</i>	<i>Behind the scene technical work</i>

Theatre skills enhance children's self esteem, make it easier to step into new situations, help with problem solving, strengthen listening skills, encourage cooperation, make interaction with others more comfortable and manage and overcome public speaking fears.

No prior dance or theatre training is necessary to participate in our Theatre program.

In addition to the technical and creative skills the children will learn in class, they will also have the opportunity to perform in one or both of the Ensemble's two original shows. One production will be scheduled during the winter holiday season and another new production in the spring.

Come share in this exciting experience. Remember, the magic of Theatre can happen on stage, in a dance classroom or in a yard. All you need is your imagination and desire to have a great time.
