## 2010 RECITAL CLASS & INDIVIDUAL PICTURES

### Class and individual pictures will be taken on:

Wednesday	March 3rd
<b>Thursday</b>	<b>March 4th</b>
Friday	March 5th
<b>Saturday</b>	<b>March 6th</b>
Sunday	March 7th

### REMINDER - NO DANCE CLASSES ON:

**Wednesday 3/3 (except for morning classes), Thursday 3/4, Friday 3/5 and Saturday 3/6.**

Make-up classes are available and encouraged.

Take Five Dance does not charge a special fee or recital fee for the extra hours our teachers and staff work during pictures, dress rehearsals and our 4 performances. Take Five teachers and administration will be available on each picture day. They will be able to assist with costumes, hair, make-up and the posing of dancers.

### GROUP PICTURE FEE

We ask that **ALL** dancers participate in the class photo. Individual pictures are optional. B & R Photography does not charge a sitting fee. However, in order to cover the cost for each class picture to be included in the souvenir recital program book, **Take Five Dance will charge a \$5 fee per student, per class picture (not to exceed \$40). This fee can be PAID IN ADVANCE (optional).**

For a small amount your child's picture will be included in the program book which will be looked at for years to come and enjoyed by many. This small fee **does not** include the purchase of the class picture.

During picture weekend it is very important that we keep on schedule. This year we will have 2 photographers working at the same time for all 5 days. Over 70 class pictures will be taken, not to mention individual pictures for over 500 dancers. This year over 35 hours will be spent taking pictures of our talented dancers!

### INDIVIDUAL PICTURES

**Make sure you sign up at the front office ASAP. Picture appointments are first come, first served.** Individual pictures will be scheduled immediately following the class group picture.

**Please RSVP ASAP if you CANNOT ATTEND your class picture time.** This will prevent us from waiting for anyone who we may think is "running late."

**Arrive at least a 1/2 hour before your scheduled class picture time.** This will give you plenty of time to get into your costume and touch up your hair and make up.

**DO NOT WEAR YOUR COSTUMES  
TO AND FROM THE STUDIO.  
*ARRIVE A ½ HR. EARLY!***

We don't want you to take the chance of tearing your costume or getting it dirty.  
**Please wear street clothes and change into costumes at the studio.**

## WHEN ARRIVING FOR YOUR SCHEDULED PICTURE TIME:

1. Fill out photography card (one per family) at the office.
2. Pay the **\$5.00** group picture fee (per group)
3. Double check the spelling of your child's name for the souvenir program book

**Room #2 will be the photography studio. Room #1 (For Girls) & Room #3 (For Boys) will be used for changing in and out of costumes and as a waiting area for dancers until scheduled picture times.**

**Because there will be two photographers in the classroom plus dancers and teachers, parents will not be allowed in the photography classroom. There simply will not be enough room.**

## MISCELLANEOUS PICTURE INFO:

Dressing room space is limited. Have your dancer's hair and make up done at home and only do touch ups at the studio. Please do not wait until the week of pictures to get appropriate tights and shoes. Every dance studio in Arizona is having their pictures and shows between March and June. Inventory at Dee's Dancewear stores may be limited. We know your spare time is precious and for some, non-existent. For your convenience, Take Five Dance, in conjunction with Dee's Dancewear, sells the appropriate tights and shoes needed for your costume. No extra driving is needed.

Take Five Dance is known for keeping on schedule and many times we run ahead of the schedule. Teachers, parents and dancers working as a team will make this year no different. We need everyone's help in order to make this year's event a success.

**Buddy Pictures:** B & R photography welcomes students to take pictures with their siblings, relatives and friends that dance at Take Five.
